

Christian Campus House contributor,

A number of our contributors have asked to have their gifts to Christian Campus House automatically transferred from a bank account. We now have over a dozen people contributing over \$2,700 on a monthly basis via direct ACH transaction transfers.

Christian Campus House can initiate monthly transfers of amounts you designate from your bank account into a Christian Campus House account at First Financial Bank in Charleston. To start this process you will need to complete and send to us via US mail a ***CREDIT/DEBIT AUTHORIZATION FORM*** (*see PDF file in this location for download*) and provide a voided check.

We promise to

- Keep your account information in a safe and secure manor and use it only for the purpose of these transfers
- Initiate these transfers a few days before or after the 12th of each month
- Provide you with the same receipts as if you had given via check or cash
- Quickly act upon any errors that may occur

Bank regulations dictate that authorization forms must be submitted via paper with appropriate signatures. For your protection we can not accept electronically submitted authorization forms.

If you are interested, please mail your authorization form and voided check to:
