

# Before You

Anthony Evans

---

**C F Am G**

**C F**  
Before You, I was always falling

**Dm G**  
Sometimes even crawling, with nothing, to hold on to

**C F**  
Before You, I was searching for something

**Dm G**  
To make my life worth living, but nothing could satisfy

**F Am**  
Before You, standing in Your Glory

**F G**  
I just want to thank You, for all You've done... for me

**F C**  
Before you, I offer you my worship

**F G**  
Now I can stand forgiven...and free

**F G F G**  
Cause I'm not the one, I used to be  
(I lay down my life, as an offering)

**C F**  
Before you, I'm humbled by your mercy

**Dm G**  
Stagered by Your beauty, honored by Your love for me

**C F**  
Before You, angels raise their anthem

**Dm G**  
And I will gladly join them, in lifting up my praise

(between and end)

**C Am F G**
